EGFC U15 GIRLS BUMPER TROPHY WEEK

Eastbourne Girls FC U15's had a bumper trophy packed week when they collected their League Winners medals for finishing top of the Crowborough and District Girls League.

The squad also finished top of the Fair Play League for the season and were duly awarded the shield which was collected by Becki French and Lauren Hughes. This reinforces the clubs ethics that it's good to win but as important to play fair and proves that the two can go hand in hand.

But the trophies weren't finished there as the girls went on to compete in the Jarvis Brook Juniors annual football festival. Both 6 aside teams qualified from their league stage but were unfortunately drawn against each other in the semi-final. In the final they met Ridgeway, who had piped Eastbourne to the top prize the previous week at their own tournament, but the roles were reversed with a fluent performance capping a fabulous week.
