### EGFC U10 GIRLS WIN SPORTSMANSHIP AWARD

The U10 team were the proud winners of the ESMML Sportsmanship Award and recently attended the annual presentation day at Westfield. For the girls it was a great day, playing 2 superb matches, deservedly drawing both & putting on a fine performance.

The team have been playing in this league for the past two seasons against predominantly boys-only teams. For the squad it is time to say farewell to this league as they prepare themselves to move into the girls-only Sussex League next season. It was fitting that as the girls bow out of the ESMML they should finish on such a high note. Manager Rachel Scott said *"I am extremely proud of what the girls have achieved over the past two seasons. At times it has been a difficult uphill struggle, but the team has always risen to the challenge. All the players get along so well and above all enjoy playing football."*

Any new players interested in joining Eastbourne Girls FC (any age including adults for our new ladies team) should call Ian on 501692.
